Pet of the Week

Meet Bella! Bella is a 2-year-old spayed female terrier whose previous owner moved and couldn't keep her along. She is a mellow, playful terrier looking for a fresh start. Her ideal family would live someone with experience with terriers. Bella enjoys handling, but she can get a bit stressed and give you a bovey side, so we want to find someone confident with terriers who has the time to teach her better manners. Before we can send Bella home with you, we will need to take a photo of the cage you plan to house her in. If Bella sounds like a good fit for your home, stop by and meet her at our Boston Adoption Center.

For more information on Bella, or any of the other animals currently residing at the Animal Rescue League of Boston, please contact us at 617.226.5600. The shelter is open Tuesday through Thursday 11am – 7pm & Friday through Sunday 11am – 4pm, excluding holidays.

St. Teresa of Calcutta Church and would frequent other churches located in the Dorchester. She believed in education and being peacefully employed. She enjoyed the arts, particularly drawing cartoons, theater, listening to music, dancing and watching movies. Mary had a very kind spirit, a unique personality with a great sense of humor and could do several voice impersonations.

She was a great communicator and always wanted to help others by offering a nonjudgmental ear and practical wisdom. Mary also had a keen way of reading people for whom they are. She was sometimes forthcoming and blunt but did not hesitate to tell someone about themselves and what she thought of them. Mary knew sorrow and pain and endured many hardships and adversities.

She was stricken by a lengthy illness, but neither changed her heart nor her faith in God. She was a loving daughter, mother, sister, true friend and a good neighbor.

She leaves behind to cherish her loving memories to sister, Rose Woods of Boston, MA; son, Desmond Woods; granddaughter, Jessica Woods; life-partner, Jimmie Neebours; Frances Hallton; Hattie Miller and Estelle Haney of Holly Hill, SC and Lillian Haney of Boston, MA; sisters, Lecoy Henry and Charles Haney of Holly Hill, SC; a host of cousins; other relatives; niece, Annoble (Chi) Kukutsch; and dear friends.

Boston Police Recover Three Stolen Motorcycles

Submitted by EFD

At about 12:20 PM on Thursday, August 24, 2017, members of the Boston Police Auto Theft Unit began an ongoing operation focusing on the District 14A (South End) neighborhood due to a recent significant increase in motorcycle thefts in this area.

While conducting the operation, 911 dispatch advised units of two males observed pushing a green motorcycle from 500 Commonwealth Avenue near Mass Ave. ATU officers responded to the area to locate the suspects on the green motorcycle. Further investigations revealed that the green motorcycle had earlier been reported stolen to the Boston Police. Upon this information, ATU officers responded to the residence of a 17-year-old motorcycle thief known to police, who, only six weeks prior, was found to have four vehicles stolen from the South End/Back Bay area in the course of his residence on Clarendon Street in Roxbury.

Upon arrival on Clarendon Street, officers observed the above 17-year-old male push a motorcycle down the street, look to it a light pole, and cover it with a tarp before entering his residence. Officers confirmed the vehicle was the stolen green motorcycle. Shortly after, officers observed the 17-year-old male riding as a passenger on a gray and white Honda motorcycle away from his residence with a second 17-year-old male (also known to them as a motorcycle thief with a revoked driver’s license from a previous incident).

Office maintained surveillance, and at about 4:10 PM observed both males return to the area, both operating motorcycles without registration plates. The first male proceeded to abandon his bike and sprint into his residence, while officers were able to stop the second 17-year-old and place him under arrest for Operating After License Revocation (2 counts).

Further investigation revealed that both motorcycles had been reported stolen, therefore, he was additionally charged with two counts of Receiving Stolen Motor Vehicle. Complaints will be sought for two counts of Receiving Stolen Motor Vehicles for the first 17-year-old male as well. In all, three stolen motorcycles were recovered during the operation.

Overdose Day spreads the message that the tragedy of overdose death is preventable. Wear Silver to show your support.

The South End Branch of the Boston Public Library, 685 Tremont Street, plans on displaying images and some words of remembrance of people who have died of an overdose projected on the library’s exterior walls. It is sponsored by Boston Healthcare for the Homeless.
