

Boston Election Results: Incumbents Sweep Council Races

BY SUE O'CONNELL

Boston incumbents swept to victory in Tuesday's city council elections, with all four at-large seats and District 2 Councilor Ed Flynn easily winning reelection, according to the Boston Herald and official city results.

The four incumbent at-large councilors all retained their seats: Council President Ruthzee Louijeune, Julia Mejia, Erin Murphy, and Henry Santana, who Mayor Michelle Wu said won "in a land-

slide" over former councilor Frank Baker's comeback attempt.

In District 2, which includes the South End, South Boston, Downtown and Chinatown, Ed Flynn cruised to reelection with 86.6% of the vote (8,592 votes), easily defeating challenger Charles Jeffrey Delaney who received 12.1%, according to official city results.

The sole open seat on the council went to Rev. Miniard Culpepper, who declared victory in the District 7 race representing Roxbury, Dorchester, Fenway

and the South End. GBH and the Boston Herald reported Culpepper defeated Said "Coach" Ahmed with 53% to 45% — a margin of roughly 600 votes — with all precincts reporting.

The District 7 seat had been vacant since former Councilor Tania Fernandes Anderson resigned in July after pleading guilty to federal corruption charges.

Mayor Michelle Wu, running unopposed, also won reelection to a second term.

Man Arrested After Alleged Attack on Uber Driver in South End

BY SOUTH END STAFF

A Dorchester man is facing charges after allegedly attacking and carjacking an Uber driver in Boston's South End last week, according to the Boston Globe.

Police responded to the intersection of Massachusetts and Columbus

avenues around 6:30 p.m. on Thursday, November 7, where they found a distressed Uber driver, the Globe reported.

The driver told officers she had picked up a passenger in Cambridge and was traveling through the South

End when she felt a cord or wire tighten around her neck, restricting her breathing, according to police statements cited by the Globe.

A witness reported seeing the driver struggling with someone in the

Before "Rent," there was "Tick, Tick...BOOM!". In the semi-autobiographical latter musical, composer-book author Jonathan Larson focuses on the struggles of a young composer to create a work that would bring him artistic fulfillment and a successful stage run in New York. In this Off-Broadway show (2001), Larson persona Jon actually gains the atten-

tion of Broadway legend Stephen Sondheim—referred to as "my idol." Thanks to a dynamite staging by director/choreographer Ilyse Robbins at the Umbrella Arts Center in Concord, Larson's own struggles with this earlier musical (begun in 1991) find exuberant expression in hero Jon's efforts to achieve his artistic goals.

Initially Larson himself actually performed "Tick, Tick...BOOM!" as a

South End Volunteers Collect 180 Needles in Six Days

BY SOUTH END STAFF

Community volunteers in Boston's South End collected nearly 180 discarded needles in less than a week from a neighborhood park, highlighting ongoing concerns about public drug use in the area, Boston.com reported.

Steve Fox, a South End advocate, said volunteers picked up

the needles over six days along the Southwest Corridor Park, according to the report published November 2.

The cleanup effort came just days after South End residents held a public safety meeting at Cathedral High School on October 23, where they called on city officials to

Navigating Boston's Snow Emergencies

Photo via Pexels.

What You Need to Know

When the City of Boston declares a snow emergency, residents must follow specific regulations to keep streets clear for plows and emergency vehicles.

Parking Restrictions

During declared snow emergencies, parking is prohibited on all posted snow emergency arteries and major roads. Vehicles parked on these streets will be ticketed and towed. Residents should monitor local news, the city's website at boston.gov/snow, or sign up for AlertBoston notifications to stay informed about emergency declarations.

Discounted Parking Options

Boston offers discounted parking at participating garages and lots for vehicles displaying resident parking stickers. Residents can begin parking at these facilities

two hours before a declared emergency and must remove their vehicles within two hours after the ban is lifted, or face standard rates.

Shoveling Requirements

Property owners must clear all snow, sleet, and ice from sidewalks and curb ramps within three hours after snowfall ends, or within three hours after sunrise if snow falls overnight. Failing to shovel can result in fines. Never throw snow from private property into the street.

Space Savers and Safety

After a snow emergency ends, residents have 48 hours to use space savers to hold shoveled parking spots. Remember to clear fire hydrants and catch basins near your property. When shoveling, clear vehicle exhaust pipes to prevent deadly carbon monoxide buildup, and never let children sit in idling cars.

For non-emergency questions, call 311 or visit boston.gov/snow.

address drug dealing and public drug use in the area, Boston.com reported.

City Councilor Ed Flynn told the outlet that open drug dealing and illegal drug use cannot be tolerated in the neighborhood. Flynn advised residents to call 311 to report discarded needles.

The Southwest Corridor Park includes playgrounds and walking paths used by neighborhood families.

The needle collection effort underscored concerns raised at the recent community meeting about conditions spilling over from the Mass and Cass area, where the city has struggled to address homelessness, addiction, and related public safety issues.

Umbrella Stage

one person show. After the composer's untimely passing, (from an aortic dissection at the age of 35), noted playwright David Auburn (of "Proof" fame), serving as script consultant, expanded the cast to three characters. Jon, his girlfriend Susan and his best friend Michael. Right from the start, New York-based Jon experiences anxiety—here identified as the "Tick, Tick" of the title—as he approaches the age of 30 without yet attaining fulfillment. Sondheim buffs may recall the very different but equally insecure feeling of protagonist Bobby as he nears 35 in the latter's earlier Tony Award-winning musical "Company." Susan and Michael provide Jon with significant support just as Bobby's friends do in Sondheim's show. Larson very clearly pays homage to Sondheim as an influence by including a song entitled "Sunday," a clever parody calling to mind Sondheim's artist-centered winner "Sunday in the Park with George."

Jon's artistic and personal coming of age in Larson's musical is not unlike George (Seurat)'s challenges as a painter and Bobby's maturing as a man in Sondheim's respective shows. Reflecting the difficult evolving of Jon's artistic development, scenic designer Erik Diaz smartly gives the edge of SoHo (South of Houston Street) apartment that Jon shares with Michael the kind of metallic look that pre-figures its counterpart in "Rent." Robbins's varied choreography often finds Michael and Susan dancing around Jon in support. That support proves crucial as Jon despairs about waiting tables for four years and working on a futuristic musical called "Superbia," loosely

based on "1984."

While Jon aspires to make a go of "Superbia" on stage (a musical within Larson's musical) and gain the attention of his "idol" (Sondheim, who is not actually identified by name), Michael and Susan have their own challenges. Eventually successful marketing executive Michael (whom Jon knows is gay) reveals a difficulty of his own to his roommate. For her part, dance teacher Susan is weighing the possibility of an important job on Cape Cod against her less satisfying position teaching "untalented children" and seeking personal commitment from Jon.

Under Robbins's sharp direction, Johnny Shea captures Jon's emotional vulnerability, particularly in the touching number "Come to Your Senses", and professional earnestness. Vanessa Calantropo has all of Susan's inner strength and deep feeling for Jon. Shea and Calantropo display strong chemistry throughout the musical. Anthony Pires, Jr. Smoothly moves from Michael's confidence as a businessman to his emotional complexity as a man and a friend. All three actors turn the anthem-like "Louder Than Words" finale into a high stepping showstopper. Alex Berg effectively modulates his sound design from the title emotional explosiveness to quieter moments during Jon's reflective stretches. Jordan Oczkowski properly fires up the upper stage left band.

Sondheim often wrote letters of recommendation for Larson to various producers to get developmental readings for his musicals. Eventually the theater world wholeheartedly embraced "Rent." As the joyous revival by Umbrella Stage demonstrates, "Tick, Tick...BOOM!" deserves as much attention as Larson's celebrated mentor gave to the beautiful sound of his distinctive work.
